# I Primi 4 Passi

per creare il tuo quadro personalizzato

1. scarica e installa il programma dal sito [www.pixelhobby.com/download](http://www.pixelhobby.com/download)
2. importa la foto desiderata in formato jpg nel programma
3. ritaglia la foto e definisci la misura e la quantità dei colori desiderati
4. stampa lo schema e la lista del materiale da acquistare

Se non hai la possibilità di seguire questi passi puoi mandare direttamente la tua foto a [info@stafil.it](mailto:info@stafil.it) scegliendo la grandezza desiderata a pagina 30. Se desideri una cornice standard scegli la misura a pagina 31.

Ti manderemo il materiale occorrente con schema incluso!

### Oltre 30 anni di esperienza

La Stafil Spa si occupa dell'importazione e la distribuzione all'ingrosso di articoli per il fai da te creativo e la decorazione. L'assortimento completo comprende oltre 50.000 articoli dell'hobbistica femminile, che spaziano dai materiali per il ricamo, cucito e il lavoro a maglia a quelli per la fustellatura, felettatura, pittura, bigiotteria e tante altre tecniche decorative. I prodotti Stafil sono reperibili in tutta Italia e all'estero nelle mercerie e nei negozi di hobbistica. Grazie ad una forte rete di oltre 20 agenti e dimostratrici esperte che coprono l'intero territorio nazionale e parti di quello Europeo, i clienti Stafil sono sempre all'avanguardia in quanto a tecniche, prodotti e novità. Per soddisfare al meglio le esigenze dei clienti alcune linee di articoli vengono prodotti direttamente dalla Stafil.
