WHAT A REAL WOODIES LOOKS LIKE.

PICK UP. STAMP. ENJOY.

OUR LATEST PROJECT

With our small and convenient Woodies, you always have the right stamp for every opportunity.

Their charm lies in the lovingly designed themes, the handy inkpads and the characteristic colour scheme.

And they are exceedingly practical: **Just pick up, stamp and enjoy!**

We have put together **14 themes** with **8 different designs** each, as well as a set of **25 exciting stamp colours**.

Each set of stamps comes in its own theme display with 5 different colours. Currently there are 112 designs available. All designs and colours can be reordered in packs of 3.

The attractive theme displays make it easier to find the right stamp and deliver stamping fun for everyone! All parts and details in a set are self-explanatory and furnished with individual EAN codes.

You don't need to make any complementary purchases or spend time searching or assembling additional materials. The displays contain stickers with application examples and inspiring ideas to show how you can use Woodies stamps to bring joy to yourself and others.

We extend our Woodies collection by just 81 miniature motives. Currently there are 9 different collections with 9 different designs in each.

New since 2017!

We have revised our existing collections and incorporated new illustrations to guarantee even more Woodies stamping fun for you and your customers. As well as this, new motif stamp displays, without text and for all themes, are available summer 2017 onwards.

Wonderful, new, illustrated designs in Woodies style for twice as much Woodies stamping fun.

Any photography, artwork, texts, logos, graphics, illustrations and any other content herein are subject to and protected by intellectual copyright law.

Any usage of pictorial or editorial material requires the manufacturer's written permission.

With Woodies, you are prepared for any occasion. **Crafting enthusiasts, creative professionals** and anyone eager to bring others joy will love our theme sets.

Naturally, Woodies are the ideal gift: A beautiful product that is easy to pick up and always a pleasure to give and receive.

These small stamps will make any creative heart jump with joy. There is simply no way around Woodies!

WOODIES[®]

2 mm of
foam rubber

100% natural rubber.
The subtle grey tone empha-
sizes the premium look.

100% MADE IN EUROPE

The composition of specially selected materials lends Woodies their natural look. Staying true to our values, we use only **FSC-certified** beech wood with UV-resistant, semi-gloss water varnish during production of our stamps.

The grey rubber layers – colour-matched and made from 100% natural rubber – emphasize the premium character. A 2 mm layer of foam rubber between beech wood and stamp rubber serves as a shock absorber. We use only 100% fair trade, renewable raw materials from European suppliers during production. All our raw materials adhere to the EN71 norm.

NEW YORK

THE CITY THAT NEVER SLEEPS

AS DIVERSE AS THE POPULATION OF THE "BIG APPLE"

To New Yorkers, it is simply »The City«. Broadway, Wall Street and the Statue of Liberty are synonymous with American culture and the American Dream. And while New York grows ever bigger, taller and bolder, our little Woodies capture its spirit with the same vigour that animates »The City«.

MINI WOODIES

SMALL STAMPS, HUGE FUN

Stamps belong in the office? Not at all! For children or the young-at-heart, our Mini Woodies are great fun for any occasion. Nine different themes and some 81 stamps give you everything you need for christmas decorations, greetings to and from the baby, a beautiful love letter or just making something beautiful.

If you enjoy arts, crafts, decorations and trying out new things, then the Mini Woodies will give you endless joy. They are also perfectly suited to stamp patterns or supplement the bigger, „regular“ Woodies designs.

Just like their bigger siblings, Mini Woodies are made from natural and sustainable fair trade resources. And, of course, we have a matching display for each theme.

GREETINGS FROM LILLIPUT

Mini Woodies have their own little universe to collect, try out or give away as a gift. The design variety makes for any number of new ideas and occasions for creative stamping.

Each Mini Woodies
is identified by his
EAN Code label.
